

If Vision Loss Is Affecting Your Client's Quality of Life, We at the Lighthouse Can Help You Help Them

Our East Harlem Early Action Saves Sight Program Helps Make Eye Health a Priority

During our presentation Lighthouse experts can answer your client's questions about diabetic retinopathy, glaucoma and other eye diseases common in older adults. As well as provide:

- Education
- Support in scheduling comprehensive eye exams
- Eye glasses and or devices

For more information or to schedule a one-hour presentation, please call Maria Cruz at **(212) 821-9223**.
